

# Class 4 Newsletter

Class 4  
September -  
December 2022

## Welcome Back

I hope everyone had a great summer. I am looking forward to this academic year and spending time with the class.

This year we are using a new curriculum format, which includes many new topics to discover and learn about. Please see the attached sheet, which shows the areas we will cover in our first topic "A World of Bright Ideas."

## Homework

**Monday**- Spelling Homework and Test

Reading record checked – children can complete their book or put the information on Class Dojo

**Thursday** - Maths + English homework due

**Friday** - Homework Set

Tables test every other week

Each child should read for at least **15 minutes 4 + times per week too.**

## RE

This term we will be studying HUMANISM. This will involve looking at a worldview and how humanists want to lead their lives.

## Literacy

As in previous years, we will cover many areas of literacy – writing, reading, spelling grammar and spoken language.

This term we will be focusing on different writing genres- narrative, non-fiction, poetry and report writing.

There will be a weekly spelling test based on work that we do in class and the requirements of the National Curriculum.

## Numeracy

We will follow the usual units of work but with a particular emphasis on number processes and application of knowledge through problem solving.

To help in this area we will have regular tables' tests.

## REMINDERS

- Bring your PE kit and book bag every day.
- Bring a coat in case of wet weather.
- Please bring a water bottle every day.

## PE

Our PE days is **THURSDAY**. However, we may need a PE kit on other occasions so please make sure your kit is in school every day.

Feel free to contact me via Class Dojo or by email:
