Dear Parents,

We hope you are enjoying the different topics that the teachers are planning for the children. From Stone Age and rocks, Space and the planets, Pirate week and Sports week.

There is so much wonderful work on ClassDojo and Tapestry that it really hard to pick a few for the newsletter. Well done to everyone and all the brilliant work you are doing at home and now in school too. We welcome back a few more children each week as the summer term continues. An email about the wider opening of schools was sent to all parents on Friday. We know that not all children will be back at school until September but know that everyone is working hard and doing the best they can in this new phase. If you have any concerns please let your class teacher know, we will do our best to help with anything we can.

Kind regards, Mrs Fountain, Staff & Governors at Rothersthorpe School

Class 2 Book Swap Success

Lots of children are enjoying their new books from the book swap last week. If your child needs to swap their books—please let your teacher know. We will then arrange, physically distanced outside school.

Class 1 Pirate Week at home and at School was such a lot of fun!

Aye Aye Captain!

Lots of children at home and school are enjoying a range of sport, including Yoga—even Goat Yoga!

Science—Testing rocks for permeability— home and school

DT Cooking link to Rocks topic—Making rock cakes and flapjacks as bricks and slabs!

Shout outs this week for excellent work at school and home

Class 1

Harry R—Fantastic home learning throughout lockdown. In particular Harry has been working so hard with his reading and is now reading captions independently. Well done Harry!

Evie C- For finding all of Pirate Orange Beard's treasure and ordering her coins from 1 to 20 and ordering them in 10's to 100. Fantastic work Evie!

Aimee—making a super treasure chest during pirate week.

Class 2

Ruby—Made a medal for her brother Oliver during sports week.

Neave—Made a medal for her brother Aiden because he helps her.

Sophie—Super writing about dogs.

Ellie—Completed a Sats paper and achieved excellent results.

Toby and his brothers made a delicious pizza.

Class 3

Oscar Holman—Super Science—testing rocks.

Freya C—Baking delicious rock buns.

Maya—Becoming TTRStars 'Rock Legend' after lots of practise

Class 4

Elsie—Great imaginative play during break times.

Josh—Super listening to instructions so he produced some great art work.

Harry - Consistently working hard, being organised and learning new skills like cooking, model making and doing science experiments.

Isla - For listening to advice, organising her week and regularly uploading work.

Good News Blog

- ◆ Zoos are finally open! Supermarket, Iceland is supporting Chester Zoo by adopting all their penguins.
- ◆ A community midwife, a train driver and a supermarket worker are to feature on the cover of British Vogue in July.
- ◆ Based on the top floor of the Paris Expo Porte de Versailles, the 'farm of the future' is set to produce 1,000 Kg of organic food per day. It will be one of ten around the city. The farm is due to open at the end of June.

Some online resources you can access from home that school has signed up for or uses

- ◆ BBC Bitesize—video lessons, games and activities
- ◆ **Oak National Academy—video lessons by teachers**
- ◆ Prodigy—maths skills KS2
- ◆ Times Tables Rock Stars
- ◆ Fiction Express—reading
- ◆ Oxford Owl—reading, spelling and hand-writing
- ◆ Spelling frame and hit the button
- ◆ My Maths
- ◆ Phonics Play

If you cannot access online resources due to internet speed or not having enough devices, please email Mrs Fountain. We can put together some activity booklets for your children. You will need to collect them from school.
