Dear Parents,

A week full of thankfulness for our wonderful food. On Friday we had our traditional Harvest assembly outside on the playground this year instead of in Church. We all thought being outside for the assembly was a lovely change. It was a shame that parents and families were not able to attend, but we have taken a video of all the classes and will be sharing this on 'Teams' - see information in the email/letter sent yesterday.

It has been a very different first term this year, but I just wanted to say a huge well done to all the children at Rothersthorpe who have taken all the changes in their stride and continued to make us proud every day. All our teachers and staff have been amazingly dedicated—incorporating all the new guidance and cleaning, alongside teaching and balancing their own family commitments. Thanks also for the continued support of all our parents and families—we really appreciate all your kinds words.

When we return back to school after half term, we will soon begin the 'count down to Christmas 2020'. We will all do our very best to make this year as special as we can for everyone.

Kind regards, Mrs Fountain and Staff at Rothersthorpe School

Tempest Photography—Tidy hair day!

On the morning of **Thursday 22nd October**, Tempest photography will be taking individual photos of the children at school. This will also include siblings who are at school, but not pre-schoolers as we cannot invite parents/carers/other siblings into school at the moment.

Tempest will comply with our school risk assessments. Children will have their photographs taken 'standing up' and photos with school siblings will be taken after the rest of the school to limit mixing. If you have any questions please let School know. A 'proof' copy of the photo will be sent home and orders placed direct with Tempest online
